We aim to provide transparent and easy to understand charges for all our products and services. This guide is designed specifically for our personal banking customers and covers our most commonly used services. We hope you will find it clear and helpful.

The charges in this guide are effective from 31 July 2010 and are subject to change without prior notice. Some Loan Products that are not listed here can be obtained from our Personal Banking Officers. Please note that any account charges listed in US dollars and other foreign currencies are payable in the currency of the relevant transaction account for an equivalent amount based on prevailing exchange rates. The enclosed charges only apply to accounts held with HSBC.

Should you have any questions on any of the charges, products or services referred to in this guide, please do not hesitate to call us at (02) 85-800 or (02) 976-8000 or 1-800-1888-0000 (toll free) or your branch of account.

Thank you for choosing HSBC.

Notes Section - Account Services

¹Total Relationship Balance

Total Relationship Balance (TRB) is calculated based on the average total balances in all deposit accounts and investments within the bundled account package (in any one (1) calendar month) per customer.

²Service Charge

Debited against client's demand deposit account if:

- a. Client's TRB on all active accounts falls below TRB requirements for two (2) consecutive months; or
- b. Client's dormant and unclaimed accounts fall below TRB minimum requirement for one (1) month. Dormant accounts are savings accounts with no activity (deposits and withdrawals) for two (2) years and current accounts with no activity for one (1) year. Unclaimed accounts are savings and current accounts with no activity for three (3) years.

³Account Closing Fee

If closed within three (3) months after opening unless Treasurer-In-Trust-For account has been incorporated

⁴Foreign Currency Cash Deposits and Withdrawals

Fees do not apply if cash deposit/withdrawal involves foreign exchange or conversion. Payment of foreign currency notes is subject to availability. Customers are advised to reserve foreign currency notes three (3) working days in advance to ensure transaction can be completed.

Notes Section - Loans

¹¹Documentary Stamp Tax exemption

For loan amounts less than PHP250,000 and use of loan is for Personal Expenditure.

¹²Documentary Stamp Tax (DST) charging

As this is a credit line, clients can avail in excess of the credit limit due to repayments. HSBC will monitor the cumulative availments from the facility. Availments in excess of the credit limit will then be subject to further DST in the manner stated above.

Pre-payment Loans

For Pre-termination of Loans prior to Maturity or next Interest Repricing Date ¹³

The Break Funding Cost is computed as follows:

$(\text{Ref 1} - \text{Ref 2}) \times (\text{Amount prepaid}) \times (\text{No. of days prior to loan maturity divided by No. of days in a year (360)})$

Where:

Ref 1 is the published daily PDST-F* rate during drawdown date.

Ref 2 is the published daily PDST-R1* (MART rates) rate on pre-termination date.

*Relevant rates are published in www.pdex.com.ph

Sample computation:

1. Client takes up a PHP100,000 loan on 1 June 2009 for twenty-four (24) months. Ref 1 is based on PDST-F rate at time of drawdown, assumed rate is 9.00%.
2. On 29 July 2010, client decides to pre-pay the outstanding balance of PHP50,000, and his Ref 2 is 6.6329% based on the day's PDST-R1 rate as of 11:45am.

Break Funding Cost is computed as follows:

$(9.00\% - 6.6329\%) \times (\text{PHP}50,000) \times (307 \text{ days}/360 \text{ days}) = \text{PHP}1,009.31$

Ref 1: 9.00%

Ref 2: 6.6329%

Amount Prepaid: PHP50,000

No. of days prior to loan maturity: 307 days

No. of days in a year: 360 days
