

Register to Online Banking and start enjoying these benefits today. Before you register, you'll need, either your HSBC Credit Card and your Cash Advance PIN or HSBC Debit Card and your ATM PIN or HSBC Phone Banking Number and your Phone Banking Pin.

Be sure to activate your card before using it for registration. Complete the registration process with these simple steps:

Step 1: Go to [www.hsbc.com.ph](http://www.hsbc.com.ph) and click on register. Read through the Online Banking Terms and Conditions. Check the box for "I accept the Terms and Conditions". Then click continue.

Step 2: Enter your credentials and verify your identity using your card or account number, and its corresponding pin.

Step 3: Set up your Log In details by creating your unique user name, memorable answer, and password.

Step 4: Select your security questions and answers. These will come in handy if you need to reset log on credentials.

Step 5: Once registration has been completed, a confirmation page will appear to show you've successfully registered to HSBC Online Banking.

It's that easy. Don't forget to download the HSBC Mobile Banking App for a banking with a tap experience.
