HSBC and the partner merchant have absolute discretion to approve or reject Program enrollment applications and shall not have any obligation to disclose the reasons for rejecting an application. In case of approval of enrollment application, the Cardholder shall be notified accordingly. The Cardholder may also call (02) 85-800 for confirmation.

HSBC shall not be liable to the Cardholder in the event of double payment resulting from the Cardholder making payment of the bill through any other means.
7. The Cardholder is solely responsible for ensuring that he/she has sufficient credit limit and that his/her Card is in good standing at the time of auto-charging. HSBC shall have the absolute discretion to decline, reject or cancel any auto-charge transaction without the obligation to notify the Cardholder on grounds such as: insufficient credit limit, overdue balance, suspended or closed card or card is in past due status, Cardholder's cancellation of his/her enrollment, and cancellation of Card. In such cases, HSBC shall not be liable for any damage that the Cardholder may suffer, directly or indirectly, by reason of such rejection or cancellation. The Cardholder shall be responsible for settling his/her bill directly with the partner merchant.

If no replacement Card is issued for the lost or stolen Card, the Cardholder's enrollment shall be considered automatically terminated without need for prior notification of such termination to the Cardholder. In all cases not covered by this provision, any change in the Card number shall result in the automatic termination of the Card's enrollment in the Program and will require a new enrollment by the Cardholder.
15. HSBC shall inform the Cardholder in case the bills payment agreement between HSBC and a partner merchant is terminated. It is understood that the obligation of HSBC to process periodic bill/s under the Program shall automatically cease upon termination of said agreement.
