

Phone banking menu

To access Phone Banking, you will need your account number or credit card number and Phone Banking PIN.

If you do not have a Phone Banking PIN, you can instantly create one using your ATM, Credit card or Visa Debit Card PIN.

Here's how:

Step 1: Enter your account number or credit card number and the number sign (#).

Step 2: Enter the # sign again.

Step 3: Press 1 to reset your Phone Banking PIN and follow instructions.
