Be safe and protect yourself. For your security, dispose of your old card properly. Once you activate your replacement or renewal card, cut across your old card's EMV chip and magnetic strip and throw the pieces separately. Visit www.hsbc.com.ph/help/security-reminders/ for tips on how to keep your money and personal data safe.

¹ All balance inquiries & withdrawals done in local ATMs (HSBC and Bancnet-affiliated ATMs) and HSBC ATMs abroad (within Global HSBC ATM network) are free. ATM transactions done in PLUS ATMs abroad will be charged PHP150/transaction.

² Travel Insurance Terms and Conditions apply. Travel Insurance offers coverage to the cardholder or his/her eligible spouse and children for any trip booked using their eligible card. This coverage includes injuries, death or travel inconveniences that happen between point of departure to destination, while riding as a passenger, among other conditions.
