

Diversify to navigate through uncertainty

Think Future 2022

For this final theme we advocate investors stick to fundamentals: diversify in order to navigate through uncertainty and absorb economic shocks.

Theme 4
Diversify to navigate through uncertainty

A balance between value versus growth stocks, and cyclical versus defensive sectors will also dampen day-to-day volatility.

Over the next 6 months, we prefer these global sectors:

An easy way to stay diversified is through a multi-asset approach spread across different asset classes, geographies and sectors. This is vital in times of uncertainty.

We hope this has helped you gain some insight on the investment landscape for the rest of the year. For greater detail, download the full publication here:
